

**Estacada School District  
Payroll Deduction Form**

Employees of the **Estacada School District** can now donate to Estacada Community Foundation through a payroll deduction. If you are not yet participating in this program the Foundation's Board of Directors invites you to consider this possibility.

All you need to do is complete the form below and send it to the School District office. This amount is deducted from your payroll and the monies are directed to the ECF.

This donation program allows all of us to contribute in a small, but very significant way. All funds donated to the Estacada Community Foundation through the ESD payroll will benefit Estacada Community Foundation.

Thank you for supporting the work of the Foundation!
